## City Information

Ottawa is a pretty small city of population around 650,000. Each person has 12 meter square charge of green area. Water streams, parks, and entertaining facilities are a repetitive pattern in Ottawa. The cost of living is little bit high. One bedroom apt. near the campus may cost around can\$ 650 including everything (Hydro, parking, ...), whereas 2 bed room apt. might cost around can\$ 850.

People in Ottawa are very friendly. 10% of Ottawa residents are Muslim.

## Weather conditions

Nice summer [May to August], with some hot days. Cold winter [last 2 weeks of Dec. till end of April].

## City Attractions

Carleton University and Ottawa University are of the best universities in Canada. Ottawa is a wonderful city.
