City Information

It is small, quite city, with limited resources and almost isolated from rest of Canada. It is really nice for new comers, as people are very friendly and not difficult to get adapted, they are more conservative than the rest of Canada no gangs....etc

Average housing rent is between 650-950 plus utilities and this price could be for 2 Bed rooms' apartments "650" to 3 BR apt or house "950".

On-campus is possible but there is awaiting list and is much expensive than off campus housing for nothing
