Availability of Financial Aid and Grants

There is a Egyptian giant here in CSU (Prof. Mostafa Khatab) is willing to help Egyptian Student who are looking for a Master degree in Construction Management. Stat. Give an assistantship after the first year of the PhD program, Crop Science give an assistantship after finishing the course work in the PhD. Chemistry, Microbiology, Vet. Give a good a chance for Post doctorate. Engineering give an assistantship after the first or second semester but this depends on the professors that you are going to work with him/her

City Information

- 1- Good weather and safe
- 2- Easy to get an apartment in the Apartment Life in CSU
- 3- Cooperative people
- 4- Living expenses is 18 % more relative to other college cities in USA
- 5- Friendly economy.
- 6- It is a college city

إتحاد الدارسين المصريين بأمریکا الشمالية

(WWW.ESANA.ORG)

Weather conditions

Hot and Dry in June and July (35-38 c), Snow (50/50)in December, January and February, and good weather in the rest of the year.

City Attractions

- A good Egyptian Community in Fort Collins and they are cooperative.
- There is an opportunity to get a financial Aid from most of the department after finishing the course work
- Safe all the time
- The city got one of the best cities in the USA in the Quality of life

City Drawbacks

I lived in different cities in USA, I see Fort Collins is a good place to live if you are social and cooperative with the Egyptian Society in Fort Collins

Size of the Egyptian Community

We have more than 12 families, three of them are full professors and three have a PhD and the remaining are PhD students
