- ✚ City: Storrs
- ✚ State/Province: Connecticut
- ✚ Country: USA

University

1. University of Connecticut

Current Active Fields

1. Compute Science and Engineering
2. Agricultural Economics

Availability of Financial Aid and Grants

The university receives plenty of research grants from the state, NSF and the Industry.

City Information

Storrs is a small city based around the university campus. Life is quiet and easy but a little bit expensive compared to neighbouring cities.

Weather conditions

Weather is generally acceptable during the fall and spring semesters. High levels of humidity and temperatures, and thunder storms during summer. Snow storms and very cold weather during the winter. Usually severe weather conditions do not last for more than a few days.

City Attractions

A Masjid inside the university. A healthy environment for Muslims and Arabs (good relations with community). Good public schools for kids.

City Drawbacks

The city is too quiet. It can easily be boring, especially for a family.

Size of the Egyptian Community

25 Egyptians (kids not counted) living in Storrs and nearby cities.
